Valves and Valve Automation
Vapor Control Equipment
Water Treatment Equipment

Actuators, Mounts & Valve Automation

REXA – KOSO America

- Electric Hydraulic, Linear & 90 degree
- Modulating and Fail-Safe Actuators

XOMOX Valve - CRANE ChemPharma

- Electric & Pneumatic 90 degree Actuators

Water Treatment

Constat Chlor Plus

- Dry Calcium Hypochlorite Feeding System

Plasti-Fab, Inc.

- Fiberglass Flumes, Cabinets, Shelters and Manholes

Membrane Specialists

- Mempolymeric Tubular
- Spiral-Wound and Hollow-Fiber Membranes
- Inorganic Ceramic and Stainless-Steel Membranes

STS — Water Purification Solutions, Inc.

- Capital Controls: Disinfection Products
- ClorTec: Hypochlorite Generating Systems
- Frontline & Ultra Dynamics: UV Disinfection Systems
- SORB33: Arsenic Removal System

HVAC

Dwyer Instruments

- HVAC Pressure, Temperature & Flow Sensors

Pumps, Strainers & Traps

Eaton

- Separators, Strainers and Valves

Nicholson

- Steam Traps and Condensate Pumps

Filtration

Eaton

- Bag & Cartridge Filters, Strainers and Separators

Valves

FPE — Fluid Power Energy, Inc.

- Thermostatic Control Valves, Spin-Clean Oil Cleaning
- Centrifuges, and Air-Stop Engine Air Shut Off Valves

Leslie-Laurence Valves Controls

- Electric Shut-Off Valves, Steam Heaters

Mercer Valve Company, Inc.

- Safety Relief and Pilot Operated Relief Valves

PetrolValves U.S.A.

- High Pressure Gate, Globe and Ball Valves
- Slab Gate, Double Block and Bleed Valves

Protectoseal

- Tank Vents and Vapor Control Equipment

Red Valve

- Pinch and Knife Gate Valves, Expansion Joints
- Pressure Sensors

RKL Controls

- RKL Pinch Valves

Rupture Pin Technology

- Rupture Pin Relief Valves
- Buckling Pin Pressure Relief Valves

Samon Controls

- Control Valves, Self-operated Regulator

Saunders

- Industrial Diaphragm Valves

Singer Control Valves

- Self Contained Control Valves for Water

Spence Engineering

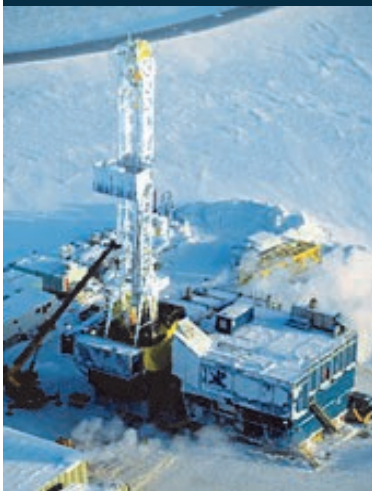

- Bronze and Iron Safety Relief Valves
- Pressure and Temperature Regulators

Tideflex

- Check Valves, Effluent Diffuser, Aeration Systems

XOMOX Valve - CRANE ChemPharma

- Plug, Ball and Butterfly Valves

Flow Measurement

Agar Corporation

- Multi-Phase Flow Meters

Endress + Hauser

- Coriolis Flow Meters
- Differential Pressure Flow Meters
- Electromagnetic Flow Meters
- Thermal Mass Flow Meters
- Ultrasonic Flow Meters
- Vortex Flow Meters

McCrometer

- Propeller and V-Cone DP Flow Meters

Universal Flow Monitors, Inc.

- Vane and Piston Flow Meters
- Variable Area Meters

Instrumentation

Endress + Hauser

- Pressure Smart Transmitters
- Temperature Smart Transmitters

ExLoc Instruments

- Ascom, Beka, Ecom, & RGS

Moore Industries

- Signal Isolators, Converters, I/P & P/I
- Distributed I/O & Data Communications

Pepperl + Fuchs

- Intrinsic Safety Isolators, Power Supplies
- HART Multiplexers, Purge/Pressurization Systems

Facilities & Life Safety Systems

General Monitors

- Flame, Combustible, H2S, and Toxic Detection Systems
- Gassonic Ultrasonic Gas Leak Detectors
- PLC Controlled Flame and Gas Systems

Level Measurement

Agar Corporation

- Interface Level Monitors
- Oil and Water Monitors

Endress + Hauser

- Point Level Gauges
- Guided Wave Radar Gauges
- Non-Contact Radar Gauges
- Ultrasonic Level Gauges
- Radiometric Level Gauges
- Vibronic Level Gauges

Jo-Bell Products

- Float Type Point Level Switches

Jogler, Inc.

- Liquid Level and Magnetic Level Gauges

Protectoseal

- Float Type Level Tank Gauges

Analytical

Endress + Hauser

- Liquid Analysis Sensors and Equipment

HMI & SCADA Software

Iconics, Genesis

- 64 & 32 Bit HMI & SCADA Automation Software

Miscellaneous

En-Fab, Inc.

- Metering & Measurement Systems
- Gas Gathering & Oil Production Systems
